•Proof of **vaccination** for Rabies, Distemper & Kennel Cough is required. Titer test approved by your veterinarian accepted for adult dogs. Kennel cough vaccination does not guarantee your dog will not get Kennel Cough.

•If pet becomes ill and is in need of professional medical attention, K-9 Ranch, in its sole discretion, may engage the services of a **veterinarian**, administer medicine or give the additional required attention to the animal and the expenses shall be paid by owner. We will try to use owner's primary veterinarian, but we reserve the right to take the pet elsewhere to ensure treatment.

•If **payment** is not received at Check-Out, K-9 Ranch will bill the remaining charges to the Customers Credit Card on File. If payment is not received with 14 days the Customer is responsible for any collection or attorney's fees.

•Any pet left uncalled for or unpaid for after 14 days of intended checkout date, will be considered **abandoned**. Since we cannot assume ownership of the pet, it will be surrendered to a rescue or a shelter.

•All pets are boarded, transported and trained by the K-9 Ranch without **liability** for loss, injury, disease, death, running away, fire, theft, or injury to other persons, other pets or property.

•K-9 Ranch will separate dogs that are **aggressive** or anti-social to other dogs or humans for their safety and the safety of others.

•Dogs older than 1 year must be spayed or neutered. Any **intact** adult dogs, here by exception, may be put out in private play at the discretion of kennel staff.

•K-9 Ranch makes every attempt to provide a secure fenced play area and appropriate play groups. You may request that **your dog play in a group** setting or be cared **for one-on-one**. Dogs in groups may get dirty or scratched from playing with other canine friends.
